ADAM & MIA

$$1 \times 5 = 5$$

A cartoon illustration of a boy and a girl standing on either side of a large, oval-shaped green chalkboard. The boy on the left is wearing a red shirt, blue overalls, and a yellow and blue baseball cap with a blue 'A' on it. The girl on the right is wearing a purple dress with a pink ruffled hem, a pink hijab with a pink bow, and a green crossbody bag. Both children are smiling and have their arms outstretched towards the chalkboard. The chalkboard has a dark brown wooden frame and contains the equation $2 \times 5 = 10$ written in large white text. The background is a dark green, textured surface.
$$2 \times 5 = 10$$

$$3 \times 5 = 15$$

$$4 \times 5 = 16$$

$$5 \times 5 = 25$$

$$6 \times 5 = 30$$

$$7 \times 5 = 35$$

$$8 \times 5 = 40$$

$$9 \times 5 = 45$$

$$10 \times 5 = 50$$

$$11 \times 5 = 55$$

$$12 \times 5 = 60$$
